Turnkey, furnished luxury townhome on quiet Porter Lane in the desirable Truman Annex, offering an effortless lock and leave lifestyle in the heart of historic Key West. Completely gutted and redesigned in 2022, this impeccably renovated residence blends refined finishes with modern systems throughout. Updates include a new HVAC system, on-demand hot water heater, all new kitchen appliances. Wide-plank luxury vinyl flooring runs throughout the home and staircase, complemented by white wood trim and a natural wood -accented stairway wall. Ensuite bathrooms feature new ceramic tile, custom cabinetry, modern fixtures, glass-enclosed showers and updated plumbing fixtures. Sparkling designer kitchen showcases waterfall quartz countertops, Italian Carrara marble tile backsplash, new cabinetry and high-end appliances, along with three leather barstools with gold accents. This home is professional furnished with curated, high-end decor, including a living room with sleeper sofa and high performance-fabric seating. First floor powder room features tropical-inspired wallpaper and new fixtures. Dining area offers seating for six with stunning round table and leather chairs. Both bedrooms located on second floor, with primary suite featuring a king bed, ensuite bath and private outdoor seating. The guest suite also offers an ensuite
