Introducing The Twins on Olivia - a storied Key West treasure reborn. Once known locally as "Olivia's Twins" and documented on the 1892 Sanborn maps, this historic Old Town property has been meticulously reimaged and rebuilt to perfection after once being condemned by the City of Key West. Today, it stands proudly renewed - a testament to timeless design, craftsmanship and the enduring charm of Key West architecture. Perfectly located on coveted Olivia St. in the Heart of Old Town, this residence enjoys a 10 out of 10 walkability score, offering effortless access to Key West's most beloved restaurants, galleries and historic attractions. Crafted by Kanga Construction, this architectural masterpiece blends historic inspiration with the finest modern finishes. The home features impact-rated windows and doors, including a striking custom mahogany front door, complemented by a mahogany entrance way & lattice detailing that echo the island's craftsmanship heritage. Inside, French oak flooring flows throughout open sun-filled living spaces. The designer kitchen features Viking appliances, gas stove, ice maker, Hansel & Bringle custom cabinetry & luxurious quartz countertops. Two distinct staircases pay homage to the original twin structures, offering privacy & architectural intrigue. Each bedroom suite boasts an ensuite bath & build
